

AERIKO WHITE

Type: CRETE: PROTECTED GEOGRAPHICAL INDICATION

Varieties: Sauvignon blanc, Dafni

An international grape variety, the Sauvignon Blanc and the local grape variety, Daphni, are participating in a captivating and original conversation. The meeting results in a fresh and delicate wine with golden greenish tints and a rich aromatic blending of peach, kumquat and a hint of citron and green apple. Surprisingly soft mouth with discreet acidity and an aftertaste of persistent duration. Best served at 9°-10° C.
