

## **NYMFAIOS – RED WINE**

**Type:** CRETE: PROTECTED GEOGRAPHICAL INDICATION

**Varieties:** Cabernet Sauvignon, Merlot

The combination of the classic international varieties Cabernet Sauvignon and Merlot, made this red wine. The classic red winemaking was effected with the utmost care and gave the wine a scent of prune and vanilla and a bold ruby colour, while the muscular taste is distinguished by its rich body and soft tannins. The wine is preserved in French oak barrels for about 12 months and remains for 6 months in the bottles.

Best served at 15<sup>o</sup>C – 18<sup>o</sup> C.
