

MARISINI WHITE WINE

Type: CRETE: PROTECTED GEOGRAPHICAL INDICATION

Varieties: Spinus muscat 100%

Alcohol : 13.0 % Vol

Local variety Spinus muscat made this fine, fresh white wine of a “noble” spirit. The gentle aromas of jasmine, apricot and a finish of bitter orange, ideally accompany the rich nose and the mouth-filling. The acidity exceptionally balances with the lively aromas of the varieties and with the, long lasting, aftertaste. Best served at 9^o C – 11^o C.
